INDIANA UTILITY  
REGULATORY COMMISSION

CAUSE NO. 42176

You are hereby notified that the Indiana Utility Regulatory Commission has, on this date, caused the following entry to be made:

On September 17, 2003, the City of Evansville filed its *Verified Petition of the City of Evansville to Reopen the Record for Purpose of Admitting Additional Evidence*, which Petition is in words and figures as follows, to wit:

(H.I.)

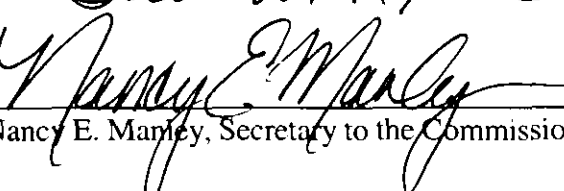

Thereafter, on September 29, 2003, the intervenors filed their *Response to the City of Evansville's Verified Petition*, and on September 29, 2003, the OUCC also filed its *Response to the Petition*. On October 2, 2003, the City of Evansville filed its *Reply in Support of Its Verified Petition to Reopen the Record for the Purpose of Admitting Additional Evidence*. The Presiding Officers, upon noting that the matter has been well briefed and described by the able counsel of the parties involved, nevertheless finds that said Petition should be denied. It is the finding of the Presiding Officers that the proffered article of evidence, while subject to varied interpretation, would be cumulative of other evidence and for the most part, impeaching, and, as such, would not add to the substantive record of this case or assist the Commission in its determination, 170 IAC 1-1.1-22. The *Verified Petition of the City of Evansville to Reopen the Record for Purpose of Admitting Additional Evidence* is denied.

IT IS SO ORDERED.

  
David E. Ziegner, Commissioner

  
Thomas Cobb, Administrative Law Judge

Date: December 16, 2003

  
Nancy E. Manley, Secretary to the Commission
